BEAVEN MAKING LIVE CAMPAIGN

J. Ashman Beaven, one of the live-wire campaigners for supervisor in the Republican camp, is asking election on the basis of improvements he will work for if successful. Beaven, a former newspaperman, has put his platform in a nutshell and is distributing cards and carrying advertising with the following pledge:

"I am offering myself as a candidate for the office of supervisor—

"Because I believe in Honolulu;

"Because I want all present roads made passable;

"Because I want new roads to be of permanent construction;

"Because I want good sidewalks and plenty of them;

"Because I want Waikiki Beach improved;

"Because I don't want our homes flooded at every rainstorm;

"Because I want Oahu's scenic beauties made more accessible;

"Because I want adequate water and sewer systems;

"Because I want more street lighting;

"Because I want a larger and better equipped police department;

"Because I want a cleaner city;

"Because I want a better garbage service;

"Because I want the present high standard of the fire department maintained;

"Because I want better living conditions for our working men;

"Because I want Honolulu to take a real part in food raising and saving;

"Because I know that, with persistent effort along good business lines, Honolulu can have these improvements;

"Because I am a man of action rather than words;

"Because I have made good in similar positions at my former home;

"Because I feel that I can be of material service to you;

"Because I know that these improvements will make life happier for we who hope to live here the rest of our days;

"Because all these things will help to satisfy our tourist visitors and make them boosters for all Hawaii."

POLITICAL NOTES
John H. Wise, candidate for sheriff on the Republican ticket, told the crowd at School street playground meeting last night that if elected he will enforce the laws fearlessly and see that everybody gets a square deal. He also said that he had lined up with no other candidate, refusing to make any deal or trade, but standing on his own merits.

Ben Hollinger, speaking at the School street playground meeting last night, pointed to the playground equipment and told the people that he had secured it for them, and that if elected he will continue to establish and equip playgrounds.

Abe Louissou, candidate for delegate at the last territorial campaign, is in town on business and says that politics is pretty lively on the Big Island. Norman Lyman is running for chairman of the board of supervisors and his principal Republican opponent is said to be the present chairman, Sam Kanehwa. The Republican fight for the sheriff's nomination is a pretty one between William E. Keolani and the present incumbent, Sam K. Pua.

The crowd at the School street playground meeting last night numbered about 200, of whom about 150 were women, girls and boys well under vote.

HAVE YOU DYSPEPSIA?

Can't Eat, Can't Sleep, Always in Pain and Suffering

"Eat What You Want," Says This Physician.

"Indigestion and practically all forms of stomach trouble are, in almost every instance, due to hyperacidity. Too much acid first produces dyspepsia and indigestion; next the stomach walls become irritated and it is only a short time until it eats through the walls, causing ulcers in the abdomen, which in turn are followed by cancer and death; therefore stomach sufferers are required to avoid eating food that is acid in its nature, or which by chemical action in the stomach develops acidity. Unfortunately, such a rule eliminates most foods which are pleasant to the taste as well as those which are rich in blood, flesh and nerve building properties. This is the reason why dyspeptics and stomach sufferers are usually so lacking in the vital energy which can only come from a well-balanced body. For the benefit of those sufferers who have been obliged to exclude from their diet all starchy, sweet or fatty food, and are trying to keep up a miserable existence on gluten products, I would suggest that you try a meal of any food or foods which you may like in moderate amount, taking immediately afterwards a teaspoonful of bisurated magnesia in a little hot or cold water. This will neutralize any acid which may be present, or which may be formed, and instead of the usual feeling of uneasiness and fullness, you will find that your food agrees with you perfectly. Bisurated magnesia is doubtless the best food corrective and antacid known. Drugs only upset the stomach. Bisurated magnesia has no direct action on the stomach; but by neutralizing the acidity of the food contents, and thus removing the source of the acid irritation which inflames the delicate stomach lining, it does more than could possibly be done by any drug. As a physician, I believe in the use of medicine whenever necessary, but I cannot see the sense of dosing an inflamed and irritated stomach with drugs instead of getting rid of the acid—the cause of all the trouble. Get a little bisurated magnesia from your druggist, eat what you want at your next meal, take some of the bisurated magnesia as directed above, and you will find you sleep well and the usual belching, gas, sour stomach, bloating, indigestion and other conditions entirely removed. For sale by Beaven & Co., Honolulu.

ing age. Comparatively few were voters. The playground is very popular with youngsters and dogs and both were out in full force last night under the full moon.

C. H. Bellina, candidate on the Republican ticket for the supervisory nomination, has returned from a necessary business trip to the coast and will begin campaigning at once. He is looked on as a promising candidate.

Ernest A. Mott-Smith is proving to be one of the most popular of the Republican campaigners—in both districts, too. He takes well with the crowds and speaks simply and unaffectedly of local issues. Many of the wise politicians concede his nomination and election.

Charles N. Arnold is standing staunchly by the frontage-tax law in his campaign speeches. He is pointing out where it is opening up residence districts for the poor people and furnishing labor for many hundreds of men.

CREW FOR AHLERS ALREADY ABOARD
(Special Star-Bulletin Correspondence.)
HILO, May 7.—After a stay of over two years and one-half in Hilo bay, the former German steamer O. J. D. Ahlers is to be taken away soon. She is being overhauled at the present time and fitted out for the long tow to the mainland. It is claimed that the engines of the steamer are not so badly damaged as was thought and that only the boilers have been destroyed. Some of the sea-cocks were damaged also, but they are being fixed all right.

The crew of 10 men that will be on board the Ahlers when she sails for the coast has arrived in Hilo and are in command of the second officer of the Matson steamship Lurline.

The Ahlers' bottom is in a very foul condition, according to all accounts, and she has barnacles a foot thick on her sides. The festoons of marine growth hang from her sides to the bottom of the harbor, it is claimed. An attempt will be made to remove some of the sea weeds by passing a cable under the bottom of the vessel and then having two tug-boats draw the chain along in such a fashion that it may scrape off the "decorations."

On board the Ahlers there is reported to be over 1000 tons of coal. This is greatly in excess of the amount of coal that was thought to be on the vessel. It was at first stated that there was only about 100 tons on the ship, but this was evidently a mistake or else a deliberate falsehood.

MAUI NIGHT AT HEINIE'S TAVERN
There will be a moonlight dinner-dance given tonight at Heinie's Tavern, "on the beach at Waikiki," given in honor of the passengers and officers of the steamer S. S. Maui.

Dinner will be served from seven-thirty to eight, for which an excellent menu has been carefully selected. Music and dancing will be the feature throughout the entire evening.

The summer rates are now in effect at this popular beach resort, and those desiring a cool and enjoyable summer residence should avail themselves of this opportunity.—Adv.

MOILILI TO HAVE BIG PLAYGROUND
A beautiful playground for the children of Moilili in commemoration of the useful and eventful life of Mrs. M. S. Rice, who died in 1911, has been given by her descendants to the Free Kindergarten Association and work of preparing the grounds is now under way. The playground, which is to be known as the "Mother Rice Playground," is located on Beretania street, 400 feet away from the Moilili church.

The lot comprises about two acres and is to be thoroughly equipped with everything dear to the hearts of the children at a cost of several thousand dollars. Monday a building permit was taken out for the erection of a cottage, pavilion for rainy days, doll house and shed. In the center will be a fountain and a wire fence will surround the grounds. Emory & Webb is the architect and K. Matsumoto the builder.

Why stay in town when you can live at less expense at the beach, the most exclusive hotel in the Pacific? Special rates are now in effect at the Moana and Seaside Hotels. Reservations may be made by applying to the manager. Telephone 3464.—Adv.

DANDRUFF GOES! HAIR GETS THICK, WAVY, BEAUTIFUL
Save Your Hair! Double Its Beauty in a Few Moments; Try This!
Hair Stops Coming Out and Every Particle of Dandruff Disappears

Try as you will, after an application of Danderine, you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them, its invigorating, stimulating and life-giving action is the secret of its success.
